

MAC Staff and Volunteers were once again amazed at the variety of interesting and high caliber work that came through our doors last week during submissions for our Area Art Exhibition.

It is always difficult for the judges to defer entry to works, and we'd like to encourage those not accepted this year to submit entries again next year. If there are any spelling errors in the listed names or titles, please notify us via phone, email (kimminor@middletownartscenter.com), or Facebook message so that we may correct them prior to the opening.

Thank you and congratulations to all accepted this year!! We hope to see you at the Opening this Friday, November 8 from 6pm-8pm!

The Area Art Exhibition is presented annually by Patti Gage in memory and honor of George Robert Gage.

Our Accepted Entries for this year's Area Art Exhibition are as follows:
